

A note from Mrs Farren....

Infant Nativity

On Wednesday this week, the Infants performed the Nativity play in the Page family's barn. It was a truly authentic setting! The children performed beautifully and we are all incredibly proud of them. Thank you to all the teachers and support staff for not giving up on this wonderful and important tradition; thank you to the Page family for the use of their barn; thank you to everyone in the community who helped to set up and take things back to school. This was humbling indeed and just shows what can be achieved when a community comes together.

You have no doubt heard about the increase in Strep A cases this winter. As a school, we are taking precautions such as adding additional cleaning and hand sanitising. So far, there have not been any cases in school. To keep you informed, we have attached a letter from the Health Protection Team for your information.

Please remember to complete and return your B&A booking form for term 3. These can be emailed to:
admin@norton.gloucs.sch.uk
