

## A note from Mrs Farren....

Welcome back! It has been an incredible first week and we have loved every second. What a joy it has been to welcome the children back to school; they really are the most well behaved, polite and wonderful children in the world.

Our new Reception children started this week and they have been brilliant- full of smiles! They have all made their parents and Team Norton proud.

During the next few weeks, you will be invited to class meetings with your child's teacher. This will outline the learning for the year as well informing you of school priorities and procedures. This is also a time for you to ask any general questions. The meetings will be held in your child's classroom and your child's teacher will let you know the date. If you are unable to attend, please let your child's class teacher know and they can find a time to chat things through with you.

### Teacher Led After school club forms

are now available on the website or paper copies available from the office. First come first serve basis with priority to children missing out last term.

### A few reminders:

- > Please complete the annual Offsite visit, sporting & extra curriculum activities form (forms can be downloaded from the website or paper copies are available from the website)
- > Check your ParentPay accounts and clear any outstanding debts
- > Complete and return your B&A booking form if needed. **See B&A club updated terms & conditions.**

As the year begins, I would like to share one of my favourite poems with you:

### Children Learn What They Live

If children live with criticism,  
They learn to condemn.  
If children live with hostility,  
They learn to fight.  
If children live with ridicule,  
They learn to be shy.  
If children live with shame,  
They learn to feel guilty.  
If children live with encouragement,  
They learn confidence.  
If children live with tolerance,  
They learn to be patient.  
If children live with praise,  
They learn to appreciate.  
If children live with acceptance,  
They learn to love.  
If children live with approval,  
They learn to like themselves.  
If children live with honesty,  
They learn truthfulness.  
If children live with security,  
They learn to have faith in themselves and others.  
If children live with friendliness,  
They learn the world is a nice place in which to live.

Day	The School Day	After School Activities	Lunch Menu Week 1
