

Wondering how you can support FoNS and school? There are lots of way ways and all are valued to support our collective aim to raise money for the advancement of the education of the children of Norton school!

In no particular order...

- Join in with our (almost) weekly Thank FoNS It's Fridays at pick up time on a Friday. We advertise what we're up to on DoJo, cash only please. We've had cakes, ice lollies, and second hand school uniform sales to name just a few.
- Help us to access free money with just a few clicks when you make online purchases at no cost to you. You can set up your Amazon account with Amazon Smile for Friends of Norton School and use Easy Fundraising for online purchases (Easy Fundraising runs via an app, you don't even need to log in, it just automatically tracks your purchase to give FoNS a donation). You could suggest friends and family to do the same. There are instructions on our webpage to help you set this up.
- Attend our events such as fayres and discos and enjoy all that is on offer.
- Tell your friends and family about our events or share on social media. Our cake sale at Coombe Hill Farm shop was supported by families of the school as well as other members of the community.
- Join in with non uniform days, typically a few times a year.
- Donate when you can, we've recently had a cake sale and clothing collection made possible by your donations.
- Bring your fundraising ideas along to a FoNS meeting. We usually meet monthly one evening during school terms with details published on DoJo.
- Buy your lottery tickets to support our weekly lottery - <https://www.yourschoollottery.co.uk/lottery/school/norton-c-of-e-primary-school> 40% of all lottery sales come back to us and you have the chance to win weekly cash prizes as well as termly star prizes.
- Volunteer to help- whether as a committee member, an active member of the FoNS team or for a specific event either in preparation or on the day.
- Give us a smile, we're here to support all the children of the school and are a friendly bunch.
