

A note from Mrs Farren....

It has been another wonderful week here at Norton. We really do have the best children in the world! Norton children are kind, caring and very well behaved; we are all very proud of them.

Our Christian value this term is Courage. We have welcomed all our new children, a couple of in year pupils and our reception who have all shown courage by coming into school so well this week. Next Friday they will put a pebble in our Norton School pebble bowl (school provides the pebbles but if you would rather bring your own, that is fine). Our pebble bowl represents us all as a family; all different but all valued and all equally important. Please remember that parents are always welcome at Friday assemblies which are held in the village hall at 2.30pm.

We hope you all have a wonderful weekend.

ATTEND TODAY
ACHIEVE TOMORROW

The whole school attendance for this week is

98.15%

This is amazing, keep up the good work!

Day	The School Day	After School Activities	Lunch Menu Week 2
